MEMORANDUM FOR: Director of Central Intelligence

THROUGH: Deputy Director for Administration
General Counsel
Inspector General

FROM: Legislative Counsel

SUBJECT: Request for Reimbursable Detail of CIA
Employee to the House Appropriations
Committee Surveys & Investigations Staff

1. Action Requested: Your approval of the recommendation contained in paragraph 5.

2. Background: We are in receipt of an oral request that CIA detail to the Surveys & Investigations Staff a CIA employee who can perform auditor-type duties for five to six months. This reimbursable detail at the GS-11 to 13 level would probably work on an audit of a Department of Interior program involving the survey of Government-owned lands in the National Parks system.

3. In at least one instance an Agency employee has been assigned to the House Appropriations Committee on a reimbursable detail basis. In that case, Chairman George Mahon appreciated the cooperation of the Agency in arranging the detail and commended the employee for diligence and quality of work.

4. It is the practice of the Appropriations Committee in general, and the Surveys & Investigations staff in particular, to have the bulk of their work handled by reimbursable detail.
